WOMEN'S INTERCLUB PLAY

2023 SEASON TEAM ENTRY FORM

DESCRIPTION OF PROGRAM

The OGA's mission is to develop and promote the game of golf in the markets that they serve. Specifically, the OGA is excited to offer a program that will promote the growth and sustainability of women's golf and all its benefits. The OGA Women's Interclub Play ("WIP") program will be a Women's only interclub four-ball match play competition that will span a designated season within geographic regions served by the Oregon Golf Association. Regions will encompass divisions of teams that will compete amongst their division playing for points. At the end of the regular season, the division point winners will compete for Regional Champions. Regional Champions will compete to crown an OGA Women's Interclub Champion Team.

ELIGIBILITY

Club: Clubs must be an OGA Member licensed club in good standing. Clubs must be in compliance with the Handicap certification program.

#2 Teams: Clubs may enter two teams. Players within the club are only eligible to play for one of the two teams and must identify which team they will play for prior to the start of the season.

Combining Clubs: If two clubs do not have enough players to reliably fill a team, they may combine. However, this must be done and declared before the season begins or at a date established by the WIP Steering Committee. If two clubs combine they MUST declare ONE Team Captain for purposes of communication and conducting the responsibilities of the combined team. A club may not combine with more than one other club.

Players: Players must be amateurs in good standing and must have an established GHIN Handicap with OGA Member Club. Players must be in good standing with the club she wishes to represent as of her date of declaration and throughout the Interclub Team Play Season. Declaration shall be determined by the date the Team Captain first lists the players on the team's roster. All players must be at least 18 years of age prior to start of a match. Handicap strokes will be determined by using the player's Handicap Index. Players may declare and compete for only one team in a Region during an Interclub Team Play season, provided they meet all the requirements stated in this paragraph. Penalty for playing for two teams: the player is disqualified for the Interclub Team Play season from both teams and the player and team in violation shall forfeit individual and team points won during the match(es) by the player(s) to the opponent(s). Multiple infractions of this section by a single team could result in disqualification (default) of all unplayed matches for the season and subject to review by the OGA Tournament Committee for future eligibility.

DEFINITION OF A TEAM

Each Team will consist of six (6) players for each match play day (3 teams of 2 players). Players must be registered by the Team Captain on the Team's roster. There is no permanent roster required for each team and no limit as to the

number of players who may be used during the regular season.

Playoffs are not regular season matches and must comprise players that were on the regular season roster and played at least one regular season match. If a team plays with an unauthorized player in a playoff, that team shall be disqualified. If a team has fewer than 6 players, the team playing short of players shall be formed at the discretion of the Team Captain, with the stipulation that 1 match must be played. If a team is unable to field at least 1 player, it will be considered a forfeit. Teams short of players may play with fewer than 6 players by playing a one-woman team against the opponent's two-woman team. The one-woman team may be placed in any position in the line-up, as long as she is in proper handicap sequence. If any team forfeits a match, that team will not be allowed to play WIP for the remainder of the year and will be sanctioned from playing the following year. The WIP Steering Committee will determine the best way to handle any points that some of the teams might have already won against the forfeiting Team.

FORMAT

The format will be a Two Person four-ball match play for points. The two players on the team play their own ball. The better ball of the two competes against the better ball of the opponent for win of the hole (gross or net). Points will be awarded for one gross and one net point for each hole, with half points awarded for any halved holes. 36 possible points per Match and 108 points possible per play day for each team. Season points will accumulate over 5 Matches to determine Division winners. Division winners will advance to compete for a state championship. Each team will provide three teams of two, for a total of six players. Players will be paired by lowest to highest handicap.

REGIONS AND DIVISIONS

Regions: Regions will be established by the OGA shortly after entries close. Regions will be grouped primarily by location.

Divisions: Each Region will consist of at least one Division and will contain teams which will compete against each other during the regular season. Each team will play every team in their Division once. Divisions will be grouped by location, similarity or other criteria established by the WIP Steering Committee. Divisions will be determined by previous year end total points results with no regard to subjective criteria. Any new teams will be added to divisions at the discretion of the Steering Committee. Team entries are accepted according to the date of receipt and entry fee. All entry forms must reach the OGA office by 5pm on Friday, April 2, 2021. Entries by telephone, FAX, or email MUST accompany payment.
