

Golfers who are active members of more than one OGA Member Club may request a rebate of \$20.00 per additional membership at the end of the season.

(For example, a golfer who is an active member of Club ABC and Club XYZ, both OGA Member Clubs, may request a \$20 rebate because he/she is a member of two OGA Member Clubs. If that golfer is an active member of three OGA Member Clubs, a \$40 rebate may be requested.)
